2019 Annual Report

GIVE. ADVOCATE. VOLUNTEER.  
LIVE UNITED

## Chair's Message from Warren Russell

*Chairman of the Board of Directors for United Way of Southeast Alaska*

Dear United Way Supporter,

I am happy to present to you the 2019 Annual Report for the United Way of Southeast Alaska. As you read what the United Way and its partner agencies have accomplished over the past year, I believe you will find amazing work is being completed throughout the Southeast region. A huge “thank you” goes out to all of our volunteers, supporters and staff who have made this possible.

The United Way remains focused and relevant in supporting those in need even in these uncertain times. The United Way is not focused on any single issue or a temporary fix. Rather, we work to ensure the long-term Health, Education and Income Stability of everyone in our region. These efforts can be seen in several ways like feeding the hungry, helping children read, ensuring support for victims of abuse and many other services ranging from early education to hospice support. By ensuring that everyone has access to the key building blocks for a good life, we strengthen and empower individuals who in turn make our communities stronger.

They say an organization is only as good as its people. For the United Way, YOU are the reason we are successful. Your gifts of time, talents and money make a difference and are helping to ensure we continue to help our families, friends and neighbors when they need it

most. As a supporter of the United Way I am sure you know that every dollar counts and is deeply appreciated in helping us pay it forward. We have a small but amazing staff of dedicated employees who continue to work hard to carry out the missions of the United Way. Their tireless efforts are key to the success of our projects and programs across the region and have earned a spotlight of recognition. The United Way has 33 non-profit partner agencies throughout the Southeast. Each has a small staff of highly dedicated professionals and volunteers whose commitment has created a strong network to support those in need. Should you have the time and energy, I encourage you to join these local champions by volunteering.

Although my year as Board Chair is ending, I am excited about what the future brings for the United Way and am confident that it will continue to focus on providing key support for our regional well-being and stay vigilant in identifying new areas of concern. As a convener, collaborator and coordinator, the United Way will champion all available resources to solve the tough problems throughout Southeast Alaska and continue support our hard working partner agencies.

Together we can Live United!

# AMERICORPS

The mission of AmeriCorps is to “Get Things Done.” The United Way of Southeast AmeriCorps 2019 cohort proved to have a genuine impact on supporting nine sites and volunteering to serve at many community activities. We thank the City and Borough of Juneau for their support of the AmeriCorps Program by issuing a Proclamation of Support. With COVID-19 and sheltering in place, a majority of our members continued to teleserve and assist with various community-based COVID-19 projects.

In 2020-2021, the AmeriCorps program is growing to 13 sites and focusing on improving academic outcomes in the area of early literacy. To learn more about the AmeriCorps program, contact [americorps@unitedwayseak.org](mailto:americorps@unitedwayseak.org)
